PE Teacher Cathy Bane receives "Hope for the Warriors" Award

Cathy Bane, our PE teacher, received national recognition from the Hope for the Warriors organization last week in Washington. Bane has been a volunteer for the organization and said the honor brought her to tears. "I was pretty taken aback," she said. "I've been working with Hope for the Warriors for a while... Their volunteers and their staff were just amazing. I went on a women's retreat with them." Bane was honored at the organization's Got Heart, Give Hope Celebration.

Bane served as a chaplain's assistant for four years in the Army. She's been teaching at Annunciation for the past two. "It's the most amazing job I could ever have. I think I have the best job in the whole school," she said. "I get to play with kids all day and teach them about how amazing their bodies are and teach them that their bodies are capable of doing anything when they treat them the way they are supposed to be treated."
