*Old Business:*

Reading of minutes voted on and approved.

*New Business:*

**Treasurer Report (Kelli Ferguson):** We are currently at \$42,334.04. This is with the hot lunch total. Without hot lunch totals, we are at \$36,369.02 roughly.

**Volunteer Coordinator Report (Angie Tyra):** talked about the different volunteer opportunities for the 2011- 1012 school year i.e. bringing back volunteer of the day, volunteering as event coordinators, athletic dept. volunteers, etc. We would like to see most of the positions filled before the end of this school year. We could use a Cultural Arts Coordinator to put together field trips.

**Yankee Candle Fundraiser (Solomea Young):** We sold \$4,036.80. We profited \$1602.40. The payment will be mailed to Yankee Candle this week and we should get confirmation of shipment very shortly.

**Bleachers (Theresa Rodney):** We have received two sets, which cost \$2989.00. We need one more 10-foot section, which will seat 120 people. The cost will be \$1700.99.

**Athletic Fund (Monica Rodriguez):** Discussion is necessary for the future of the athletic program as well as funds. We should come up with fundraising ideas earlier in the year in order to buy needed equipment and uniforms. We also need an athletic director.

**List of ideas for use of fundraising money:**

- Bleachers
- Trophy Case
- Picnic Pavilion (with electricity): covered pavilion for hosting outdoor activities need to discuss size, cost and possible shared endeavor between church and school.
- Picnic tables
- Preschool playground
- Rubber mulch for playgrounds
- Accelerated math program.
- Field trips

**Resale Shop:** Hope that it will be up and running by May 1.

**Clothing Sale:** Ideas include possibly charging to use space. Possibly sell hotdogs and drinks. Possibly bring in a moon bounce.

**Preschool Cap and Gowns (Val Perez):** Would probably cost between \$200-300 to finish this project of buying more caps and gowns. Caps and tassels run about \$6.

**Bingo (Theresa Rodney):** This could bring in a lot of money. The possibility is there to raise about \$45,000. Discussion of how to make it work. Theresa will investigate the logistics and report back.

**Items for Auction (Theresa Rodney):** Would like everyone to come up with 10 items that would be good for the Angels Auctions. Would like to get started early on this in order to maximize items for auction.

### **Events for the 2011-2012 School Year:**
