

Dear Prospective Annunciation Catholic School Family,

Welcome to Annunciation! I am delighted that you are interested in Annunciation Catholic School. It truly is a wonderful place for your child to learn and grow. We provide a small, family atmosphere where your child's body, mind, and spirit will be nurtured by caring faculty, staff, and volunteers.

We take seriously the responsibility to educate our students in faith. At Annunciation, we infuse our Catholic faith into every aspect of our daily lives, striving always to actively live our faith. An Annunciation Catholic School student is easily identified through their caring and service to others.

For over 50 years, Annunciation Catholic School has proudly served the Havelock area. We are accredited by the Southern Association of Colleges and Schools/Council on Accreditation of School Improvement. ACS's educational philosophy was established many years ago and remains the same today: Development of the Whole Child. Spiritual and moral values are stressed side-by-side with intellectual, physical, academic, and technological ideals.

From its humble beginnings, Annunciation Catholic School has made religious education an integral part of the whole child, continually working to develop a sense of personal responsibility. Students are called to awareness of their unique God-given talents and challenged to achieve in an academically rigorous curriculum.

ACS is proud to offer to our students a variety of co-curricular and extracurricular activities, including membership in the National Junior Honor Society, Interact/Campus Ministry, Athletics, Band, a unique Elective program, and Fine Arts.

We are a member of the Chamber of Commerce and the local Rotary Club. Parish and community members are frequent volunteers in our school. We have a strong relationship with the Marine Corps Air Station at Cherry Point, which provides numerous opportunities for our students. With only one class of each grade level, we can know your child, and you, extremely well.

Thank you for considering Annunciation Catholic School for your child. As you consider this very important decision for your family, you will remain in my prayers. Please feel free to call me with any questions that you may have.

Best Regards,

Susan G. Parks
Principal
